Amr Khalil Saeed Thabit Mohammed, Svetlana Fedorovna Fedulova
"*Analysis of the economy and state budget of Yemen in the context of the civil war and political contradictions*" FSBEI HE "Udmurt State University" 2019, page 158-163.
Budget as a subject of social sciences: collection of articles of the international scientific-practical conference (17-18 Oct. 2019).

About me

I'm a Junior Frontend Developer with an engineering background. I am dedicated to finding solutions and explanations for the challenges that arise for both my clients and myself. My dedication to solving challenges is matched by strong communication skills, honed through my university education and professional experience. I excel at understanding client needs, ensuring their satisfaction, and continually improving my technical abilities through self-study in frontend development.
